## SIC Website Student Portal –A “Go to Here” Place for Information

Our website ([www.SIC.edu.au](http://www.SIC.edu.au)) has a student information area. There is a lot of information for you on the website. But when you are an official student with our College, you will get a student log in to a student portal of our student management system. You can login to your Student Portal from the website under the Login section. This is where you will be able to keep up to date with your course, personal details and much more.

You can also access your course in the “online learning platform” from the “Login dropdown” where you will use this platform to complete your 25% or 5 hours of online learning every week as part of the course. You will be shown how to navigate during orientation.

We will show you around the website and student portal as part of your orientation to the College.

## Address and Contact Details

Students must provide your current residential address and keep this up to date. Failure to do so may result in a cancellation of your Student Visa by the DHA.

There are two ways of doing this if your address changes:

- Fill in the Change notice form that is available in reception. It is important to notify Reception in person within 7 days if you have a change of address and contact details.
- Go onto the website and in the student portal. Log in with your student number and update your details.

## Student Card

When you start at the College, we will arrange for you to have a College student card.

To get a student card, you will need to give reception a passport sized digital photograph otherwise we will take your photo at orientation. You will then be issued with a student card within a week. The student card can be used as a concession card at museums, theatres, cinemas etc. They are not valid on public transport in Sydney, as international students must pay adult fares. There is a charge for replacement of a lost card.

## Student Breaks

Outside of the College there is a choice of places to eat and relax.

## Student Support Services

Skyline International College supports students to adjust to life and study in Australia and to achieve satisfactory course progress. It is important that we offer support services so students understand their obligations on a student visa while studying in Australia.

Orientation is the first and important part of student support. We talk about and give more information on:

- Student support services available to students in the transition to life and study in a new environment.
- Legal services
- Emergency and health services
- Facilities and resources
- Complaints and appeals processes
- Counselling services
- Any student visa condition relating to course progress and/or attendance

Communication and student intervention is the second and important part of student support. If you are falling behind in your study and results each term, we communicate with you and make individual case by case arrangements. These are called student academic intervention and this is an obligation of SIC as an RTO and CRICOS provider. You will read more about this in this Handbook and can see our policies and forms on the website.

Welfare related support services is the third and important part of student support. We will discretely offer referrals to welfare services if there are some personal issues that may arise during their study. Some services offered through our staff are provided at no additional cost to the student. If we cannot assist in your particular support needs, SIC will refer a student to external support services. SIC will not charge for a referral, but fees may be applicable from the service provider.

Our College has a documented Critical Incident Policy together with procedures that covers the action to be taken in the event of a critical incident, the required follow up to the incident and records of the incident and action taken. See the emergency contact details that follow here.

Our College ensures that the staff members who interact directly with students are aware of the obligations of a College under the ESOS framework and the potential implications for overseas students on a visa arising from the exercise of these obligations. This information is communicated to staff through inclusion in staff meetings, and across our policies.

## More About Studying at SIC - Teaching & Online Study Methods

Our teaching methods include face-to-face instruction to students plus access to online learning.

**Classroom learning:** 75% of the course for each qualification is delivered in classroom face to face.

Students are required to complete the timetabled classroom study for 15 hours every week to complete the mandatory weekly structured training for an overseas student. The trainer leads the classroom sessions. You will get access to your course materials in class and also in the online platform.

**Online Learning:** 25% of the course for each qualification is delivered online through eSpace. eSpace is an online learning management system (LMS). Students are required to complete the online study for on average 5 hours every week to complete the mandatory weekly structured training for an overseas student. Moodle will contain all the course resources and will be available 24/7. You will be shown how to navigate.

You are introduced to eSpace during orientation and can follow up with Student Services staff for extra online navigation to get started. If extra support is required you need to contact IT support through the platform following the getting to know the site guides and using the help menus. You can also discuss any technical issues with the trainers face to face when you come to class.

All instructions are in English. The College is set-up with facilities which provide plenty of opportunity and ample space for you to practice and develop your skills.

## Education Support and Tutorials

Our trainers want you to do well in your study, so we offer education support strategies such as:

- Interesting lectures
- Individual in class support and advice to students.
- Encouraging students to work at their own pace using the textbooks and online learning platform.
- We offer additional study tutorial times for students to work in smaller groups with their trainer. This is timetabled for day and in the evenings in a classroom.
- See the tutorial rooms and times in the calendar and noticeboards.
- Book in to a free tutorial by email – ask Student Services about tutorial bookings.

## Conduct of Assessment

Assessment is conducted in accordance with the curriculum we use. The assessment is competency based which means you are tested against the standards outlined in the units of competency within the relevant National Training Package and its defined assessment guidelines.

It includes:

- Assessment throughout training to monitor & assist your progression
- Assessment is to embed and reinforce skills or knowledge
- Assessment of performance at end of the units of training
- Recognition of prior learning or recognition of current competency

Assessment methods may involve you in:

- Written questions
- Oral questions
- Case studies
- Projects
- Practical demonstrations
- Final knowledge tests

At the start of every unit there is a unit outline. You will be given information on the topics and a delivery schedule including the units of competency and the student assessment plan which is the activities to be completed. The outcomes of assessment are C for *Competent* or NYC for *Not Yet Competent*. Those assessed as NYC (*Not Yet Competent*) can request a re- assessment. During the course, your trainer will maintain your individual assessment records in hard and soft copy.

## Recognition of Prior Learning (RPL)

If you believe you already have the skills and knowledge required to demonstrate competency you can request RPL. It does not matter whether you acquired your skills and knowledge through informal learning, work experience and/or life experiences.

To request RPL you will need to:

- Read your course information and talk to the CEO if there is anything you need explained
- Collect and complete the Application for Recognition of Prior Learning form
- Complete and RPL interview with a Trainer
- Confirm you are eligible for RPL then go ahead with your evidence collection
- Collect your evidence to show your competence. Your evidence must be valid (as described in the unit of competency), sufficient (enough), current (up-to-date) and authentic (your own work)
- Organise the evidence you have for each unit of competency
- Present your evidence and the list of evidence for assessment.

The assessor may ask you to undergo a challenge test. You will be provided with a written report on the outcomes of assessment of your application for RPL which you will be required to counter sign. This report will be filed in your personal file.

Where RPL is granted before the issue of a student visa via Skyline International College, the net course duration (as reduced by RPL) will be indicated on the letter of offer issued for that student.

Where RPL is granted after the student visa is granted, the resulting change of course duration will be notified via a database called the PRISMS.

Skyline International College does not charge for the processing of the RPL application. A fee does apply to complete the RPL assessment.

If a student is granted RPL there may be a reduction in the total course fee and course duration. This will be explained in a letter to the student.

## Credit Transfer (CT) Advanced Standing

Skyline International College recognizes relevant AQF qualifications and / or Statements of Attainment issued by any other RTO. We must verify the authenticity of such documents as required and to determine the currency of the units of competency/modules indicated on the transcript.

We usually assess credit transfer requests at the application stage as this will affect the study load and the letter of offer to the student.

Where CT is granted after the student visa is granted, the resulting change of course duration will be notified to immigration via a database called the PRISMS.

## Student Feedback is Welcome

At several contact points in your student experience with SIC you will be asked to complete surveys. This is your opportunity to provide us with feedback on the College, course, the trainers and assessors, the course administration, the training facilities, the training activities, Online experience, resources and materials and the assessment procedures. Your comments are always read closely and reported to management to improve our services.

## Issuance of Qualifications

On successful completion of all units of competency you will be issued with a full AQF qualification and transcript of competencies achieved. If you do not complete the entire course of study a Statement of Attainment will be issued for successful completion of individual units of competency.

## SIC Trainers

### Trainer Qualifications

Skyline International College trainers come from a business and accounting background. Our trainers and assessors maintain industry currency and have the relevant qualifications required to teach the courses as set down by the regulators.

These include:

- Qualifications in business and management
- Qualifications in information technology and finance
- Qualifications in training and assessment
- Maintain professional development and currency in the relevant sector

Your trainers will:

- recognise the cultural diversity of all students
- ensure equal treatment of all students
- encourage full participation and assist all students to achieve the course outcomes
- provide equal access to resources
- refer students with specific learning problems to appropriate agencies

## Student Attendance is Monitored

Skyline International College will record and monitor student attendance throughout the course.

All course participants are required to complete the timetabled 20 hours of structured training per week to meet their student visa requirements and to gain maximum benefit from the classes.

We operate a weekly timetable of 15 hours face to face training plus 5 hours of structured training online.

You are required to attend all scheduled face-to-face training sessions each week.

The minimum attendance requirement set by SIC is 60% average for each term. At each session, your trainer will record the attendance. The trainer will log into the student management system or in an attendance sheet and update the attendance data so it is up to date and visible for administration and students.

- Your attendance is recorded in our database
- We check this regularly and monitor every 2 weeks in the term at weeks 3, 5, 7 and 9
- You can log into the student portal and see your attendance statistics.

Should you be unable to attend classes for reasons such as illness, serious family problems, you are required to contact student services and explain your absence.

A medical certificate from a registered general practitioner is required if you are sick and this will be recorded on the attendance records. You must provide a copy of their medical certificate upon return to class and keep the original for future records.

If your attendance falls below 60% we will notify you by SMS, then if attendance drops lower, you will be sent warning letters and asked to come and see Student Services. We will offer support and intervention in case low attendance suggests problems for your study and life.

If you are absent for 2 consecutive weeks you will be sent a notification again and must contact the College and explain your situation to Student Services.

We do this to make sure you are progressing with your studies. If you do not attend you will not be able to keep up with the work and assessments.

## Course Progress

SIC follows the National Code Overseas student visa requirements- Course Progress policy. This means students will be made aware of our policy and procedures for recording and monitoring course progress then proactively notifying and counselling students who are at risk of failing to meet course progress requirements. As a registered CRICOS provider we are obliged to report students, under section 19 of the ESOS Act, who have breached the course progress requirements.

Study period The study period for course progress is 1 term of 9 weeks.

Trainer reporting of course progress

Trainers will complete the attendance records each week in the database or on the attendance sheet.

Trainers will complete the record of online learning activities each week in course and class unit tracking forms or database.

Trainers will mark assessments and complete the end of unit results for every student that are entered in the database.

Two consecutive study periods for reporting purposes Reporting a student for unsatisfactory course progress occurs only when the student has been identified as not making satisfactory course progress in 2 (two) consecutive study periods. Where the course is a short course (less than 6 months) then the study period is the length of the course.

SIC Unsatisfactory course progress is failure in 50% of the unit of study over the study period.

Students receive a Unit Outline that indicates the timetable for the unit of study, the assessment tasks and the due dates for assessment tasks to be submitted. Academic progress is monitored by trainers for every unit of study and students who are having difficulty will be offered a range of support options.

When a student does not meet the course requirements for two consecutive terms they may be reported to DHA via PRISMS as required under section 19 of the ESOS Act 2000 and this may result in their visa being cancelled.

### Here are the steps we follow for course progress.

Regular monitoring then notification of attendance data where it falls below expected minimums

Notification to the student of results and the intervention strategy

Intervention strategy for a unit of study

Students can access their results through the Student portal or on the notice board. Students can be provided their results by the admin staff as well.

Where a student falls below the minimum satisfactory requirements for the unit of study a letter outlining the SIC intervention strategy will be sent and it may include any or all of the support strategies.

- Offer to attend tutorials in the term break
- Offer to re-submit written work
- Offer to re-do a major assessment
- Offer of academic counselling and a meeting with the CEO

## Intervention – Support for Students

When warning letters are sent out to students, the intervention meeting is offered and the student must attend this meeting. The intervention meeting is a chance to find out what is happening for the student and offer support. The support may include any or all of the support strategies:

- (1) Academic counselling and a meeting with the Trainer or Academic Manager
- (2) Counselling on course selection
- (3) Counselling to clarify if personal situations are impacting on student results
- (4) Sensitively exploring there are any compassionate or compelling reasons for the result
- (5) The option of repeating a unit of study in a later term
- (6) The cost of repeating a unit of study
- (7) Transfer options for the student
- (8) Clarification of student visa implications for continued unsatisfactory progress in the second study period

(9) The complaints and appeals process and the fact that the student has 20 working days in which to follow this up. The intervention meeting will be signed by the staff member and the student recorded in the student's file. The record will be added to the student notes section in the database.

## Compassionate or Compelling Circumstances

Compassionate or compelling circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:

- serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- bereavement of close family members such as parents or grandparents;
- major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies;
- a traumatic experience which could include:
  - involvement in, or witnessing of a serious accident; and
  - witnessing or being the victim of a serious crime and this has impacted on the student (these cases should be supported by police or psychologists' reports) or
- where the registered provider was unable to offer a pre-requisite unit.

In these circumstances, the CEO may use professional judgment to assess each case on its individual merits. When determining whether compassionate or compelling circumstances exist, SIC will request documentary evidence to support the claim where available and will keep copies of these documents in the student's file. We will make notes of the decision in the student file.

## Maintaining your Study Load

SIC is required to monitor the enrolment load of students to ensure that at all times you are in a position to complete the course within the duration specified on your visa. There are limited circumstances in which students are permitted to receive an extension to the expected duration of study for the course.

### Approved Reduced Study Load

We may permit a student to undertake a reduced study load over the academic year in the following limited circumstances;

- (1) Student has been awarded exemptions (Credit) or RPL and there is no available course in that study period which will contribute to the program; or
- (2) Student has not passed the required prerequisite courses to allow further enrolment; or
- (3) Student has been approved for a reduced study load over the academic year as part of an intervention strategy for students who were at risk of not meeting satisfactory course progress; or
- (4) Student has been granted an approved leave of absence under compassionate and compelling grounds.

Students who are permitted to undertake a reduced study load will be provided with a revised study plan which must be followed for all future study periods.

## Course Variations, Suspension, Deferment and Cancellation

In some circumstances, the College and/or the student can vary the timetable, or the course or the enrolment status. This will be considered on a case by case basis.

Students must ask for the Change of course form and talk with a Student Services officer.

Student will complete a withdrawal, deferment, cancellation form and talk with a Student Services officer.

The situations include:

- Defer commencement date
- Defer commencement of a new term – special leave
- Suspension of enrolment
- Cancellation of enrolment (by the student or the College) Change in schedule
- Change in start date
- Change of course

## Withdrawals and Transfers

- In the event the students intend to transfer their study to another provider the Request for Transfer form is completed. The student must meet with the student services manager.
- Skyline International College is responsible for assessing the student's request to transfer within the first 6 months where SIC is the principle CoE course of study. Such a request will be assessed and the decision explained to the student in a personal interview and in writing.
- SIC will consider a student's request to transfer out of the College prior to the first 6 months and this may be granted where the transfer will not be to the detriment of the student and where exceptional circumstances exist.
- After the first six months of the principle CoE course, no restrictions apply. So, the student is entitled to transfer out of SIC after 6 months and we will advise and process this request.

## Fees Policy

### Fees

\$200 application fee applies before enrolment for all courses is mandatory and this fee is non-refundable.

All students at SIC make fee payments in advance every 3 months. This lines up with the terms.

At the time of enrolment students are required to pay the following fees:

Application fee, Materials fee and the first term of tuition fee. From this point students will receive written notice of their next fee due date four weeks before the completion of the existing term.

Fees are expected two weeks before the next term.

If the tuition fee is not paid on time then a late payment fee may apply as follows:

- After 7 days overdue \$200
- After 14 days overdue \$400

Should fees remain overdue for more than 14 days SIC will inform the student of their intention to report them for non-payment of fees to DHA via PRISMS.

The payment of all fees and charges is receipted and dated at the time of payment. Records of fees receipted and dated are maintained and secured for two years after the student ceases to be a student and is kept within the financial management system software for up to five years as required by taxation legislation.

Students can log in to their student portal and see the details of payments made and amounts owing for their course.

## **Refund Policy**

In the unlikely event of default by Skyline International College, such situations are covered by the provisions of the ESOS Act 2000 and the ESOS Regulations 2001.

In the circumstances of provider default where the refund option is chosen by the student, Skyline International College must refund the student all course fees. Refund will be paid to students within 14 days of the default day.

Situations where a provider default may occur include:

- The course does not start of the agreed starting date which is notified in the Offer Letter
- The course stops being provided after it starts and before it is completed
- The course is not provided fully to the student because the College has a sanction imposed by a government regulator

However, if the student agrees to accept an alternative (replacement) course or part of a course, to be provided to the student at the College's expenses, then the College is relieved of its liability to make the

payment. The student must advise the College in writing whether they agree to the alternative arrangement.

SIC's refund policy applies to both commencing and re-enrolling students. It is set out in the Handbook and below. All requests for a refund must be submitted on the appropriate refund application form and must be accompanied by official documentary evidence of the grounds for the request.

Your initial application fee is not refundable.

Refunds apply only to tuition fees and will only be paid to the applicant through an Australian Dollar draft. All refunds incur a \$250 administration fee.

### **Total Refund of Tuition Fee**

A total refund will be granted under the following circumstances:

- In the unlikely event that the College is unable to provide the course for which an offer has been made. An alternate offer of a place will be offered at no extra cost to the students as well as the refund option.
- An offer of a place is withdrawn by SIC (The exception is when the offer was made on the basis of intentional incorrect information).
- The applicant is unable to obtain a visa from an Australian Diplomatic Office.

Applications for a total refund on the above grounds must be lodged at least 2 weeks prior to the commencement of the term for which the offer is made. The student must provide a certified copy of the official letter of visa application rejection by the Department of Home Affairs (DHA) along with their application, in order for the refund application to be approved.

### **Partial Refund of Tuition Fee**

The amount of partial refund is determined as follows. Administrative fees and applicable deductions are applied:

Request is more than 10 weeks before the commencement of the term/ next term	Full refund.
Request is less than 10 weeks but more than 6 weeks before the commencement of the term	refund is 70% of tuition fees for that term.
Request is less than 6 weeks but more than 2 weeks before the commencement of the term	refund is 50% fees of tuition fees for that term.
Request is less than 2 weeks before the commencement of the term	refund is 30% of tuition fees for that term.
If a student withdraws from the course on or after the course commencement date.	the student will not be eligible for a refund for the fees for that term.
Withdrawal from a course on illness and compassionate grounds	refund will be decided on a case by case basis.
If a student holds a valid student visa at the time of enrolment with SIC, but after commencing their course, their current visa expires and a subsequent visa application is applied for and rejected.	refund for any tuition fees paid to SIC will be calculated on a pro-rata basis (calculated on a weekly basis as per the SIC term calendar) minus any applicable deductions*.
Student transfers to a second course within SIC without completing the first course.	The tuition fee paid for the current six-month period of the 1 <sup>st</sup> course will be credited on a pro-rata basis towards the tuition fee of the 2 <sup>nd</sup> course.

	All other tuition fees paid toward the 1 <sup>st</sup> course will be credited in full towards the tuition fee of the 2 <sup>nd</sup> course. If the credited amount is greater than the total cost of the second amount, the difference will be refunded within 28 days of commencement of the second course.
--	--

### **No refund**

False or misleading information in application forms or during study	automatically disqualifies you from any refunds
Student is terminated due to serious breach of the College rules or a breach of visa conditions including non-attendance or unsatisfactory progress	No refund
Student defers enrolment and commencement date	Tuition fees will be held by the College until course commencement date.
Student is seeking a refund for enrolment in the principle (main) course of study, as applied for on their current Student Visa	No refund for any tuition fees paid for the first six (6) months of the principle course. Any additional tuition fees, paid beyond the first six (6) months, that are deemed refundable, will be payable back to the student minus any applicable deductions*.

### **How to claim a refund**

Requests for refund should be made in writing to the Director of Operations and Finance with documented evidence of the reason for withdrawal. Eligible refunds will be refunded within 28 day of receipt of the claim. A documented administrative fee \$250 will be charged for processing refunds. The enrolment fee is not refundable.

All refunds will include a statement explaining how the refund amount was calculated.

Refund will only be given to the person who paid the tuition fees. For example, if the tuition fee was paid by an agent or parents, the money will only be refunded to either the agent or parents.

This refund policy does not remove students' rights to take further action under the Australian Consumer Protection Laws.

Staff is responsible for referring all enquiries regarding fees, charges and refunds to the Director of Operations and Finance.

## **Records Maintenance**

It is an Australian Government requirement that we keep records of each student's current residential address (as supplied by the student), the student's full name, date of birth, nationality, the start and completion day of the student's course, attendance and academic performance details of payments received, information on International student health cover,

## Complaints and Appeals

SIC provides a process for complaints and appeals policy and procedure.

Despite all efforts by SIC to provide satisfactory services to its students, complaints may occasionally arise that require formal action and resolution. The following procedure provide students with the opportunity to have any issues relating to a substantiated complaint or appeal resolved and resolutions reached that are designed to satisfy all parties involved. We will vigorously follow through complaints following our internal procedures making sure each step follows the principles of natural justice and procedural fairness. The College complaints and appeals processes are independent, easily and immediately accessible and no cost or inexpensive for the parties involved.

Complaints and appeals come in two different types – Academic and Non-Academic as defined below.

**Academic Complaint and Appeals:** Refers to an appeal about an academic matter:

- Your course
- trainers and training delivery
- Course progress and or attendance
- your assessment result or assessment outcomes

### Non-Academic Complaint and Appeals:

- SIC and administration staff
- A Trainer or an Assessor
- Another course participant or person at the College

Procedure for a grievance, complaint and appeal:	
1. Discuss the issue with the member of staff or trainer involved or course participant	<p>1. You might have a grievance or complaint about:</p> <p>The College, its policies, decisions or information provided to you</p> <p>The College administration staff</p> <p>Your course or your assessment result</p> <p>A Trainer or an Assessor</p> <p>Another course participant or person at the College</p> <p>We encourage participants to talk directly with the person involved and see if you can sort out the issues of concern.</p>
2. Discuss the issue with a Manager	<p>2. Where talking with the person is not appropriate, the complaint can be discussed with a member of staff –probably a manager by phone or through email such as:</p> <p>Academic Manager or Admin and Accounts Manager. We will seek an immediate resolution of the matter if possible within our roles</p> <p>We will communicate with you, discuss the matter with other parties and seek resolution. We must refer to our policies and procedures and point this out to you as the complainant and the process will be fair and transparent. We allow 10 days.</p>
3. Fill in the written complaint form and it will be considered	<p>3. If the complainant is not satisfied with the suggested resolution, we will advise you to put the complaint in writing on our complaints form and submit. This form can be downloaded from the website and sent by email or via RTOM. The College will acknowledge receipt of complaint and date received. The complaint goes to the appropriate department Manager who will consider the written complaint within 10 working days.</p>
4. How we advise of the complaint resolution and give written notification of the decision	<p>4. A meeting or phone conference may be offered to the complainant. A support person can be there with the complainant. Details of any meetings with the complainant will be recorded in writing. The written statement of RTO'S decision, including details of the reasons for the outcome will be provided to the complainant.</p> <p>We must refer to our policies and procedures and point this out to you as the complainant so the process will be fair and transparent. Internal decision making and resolution between you and the College will be finalised as soon as practicable.</p>

6. Complaints are in registers and the quality assurance system	6. Complaints and appeals are logged in the complaints and appeals register, reported to management meetings and retained in our compliance records. We treat complaints as feedback that can improve our client services and quality assurance in the College. We are required to acknowledge formal complaints and rectification in reporting against the standards for Colleges.
7. If our internal process has not worked; you can appeal the College decision through overseas student ombudsman	7. To apply for External Review you must complete an application form (available on <a href="http://www.ombudsman.gov.au/making-a-complaint">http://www.ombudsman.gov.au/making-a-complaint</a> ). SIC maintains the student's enrolment (i.e. not report the student for unsatisfactory progress or Fees) until the external complaints process is complete and has supported the SIC's decision to report.

### Appeals against assessment decisions are handled differently

The process is explained here.

Records of assessment appeals that escalate to a written appeal will be recorded on our Assessment Appeals Register. The appeal, assessment tasks and history of marking and feedback are kept on file and reviewed to ensure that they are fairly dealt with according to legislation, policy and procedure.

Procedure for an assessment appeal:	
1. Discuss your results with the Assessor who marked your work	1. For all assessment tasks but in particular for final assessment tasks, if the participant has a grievance about the results, the Assessor will immediately discuss the feedback provided and the assessment outcome to clarify the decision of Not Satisfactory or Not Yet Competent. This must be done within 14 days from the result date. There are opportunities for re-submission and re-sits as explained in the Handbook and during the course so most assessment matters can be resolved at this stage.
2. Review - Request a re-marking by the same Assessor or another Assessor	2. If agreement cannot be reached, the participant has the right to request a re-marking where the work is assessed again by the same Assessor, or that another Assessor undertakes the marking of the submitted work for assessment. This must be done within 14 days from the result date. The College will acknowledge receipt of appeal and date received.

3. Fill in and send a written assessment appeal form that will be considered by the Academic Manager	3. If the assessment decision remains Not Satisfactory or Not Yet Competent after the re-marking and the participant is still not satisfied, then the Academic Manager shall discuss the assessment decision with the participant and the Assessor. The request must be submitted in an assessment appeal form within 28 days of the date of the remarked results. The College will acknowledge receipt of appeal and date received.
4. The Appeal resolution by meeting or phone then the Manager will send written notification of the decision	4. A meeting or phone conference may be offered to the complainant. A support person can be there with the complainant. Details of any meetings with the complainant will be recorded in writing. The written statement of RTO'S decision, including details of the reasons for the outcome will be provided to the complainant. We must refer to our policies and procedures and point this out to you as the complainant so the process will be fair and transparent. Internal decision making and resolution between you and the College will be finalised as soon as practicable.
5. Appeals improve our quality of training and assessment system	5. Complaints and appeals are logged in the complaints and assessment appeals register, reported to management meetings and retained in our compliance records.
6. Take the appeal to an external body	6. Once mediation and the external assessment services has been provided, we will advise the student that all internal processes have been exhausted. He/she can take the matter to the National Training Complaints Hotline. www.education.gov.au/NTCH Phone: 13 38 73 Mon- Friday 8am – 6pm  Written complaints can be emailed to <a href="mailto:skilling@education.gov.au">skilling@education.gov.au</a> .

## ESOS Framework

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas (ESOS) Act 2000 and the National Code 2018.

### Protection for overseas students

As an overseas student on a student visa, you must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at <http://cricos.education.gov.au/>. CRICOS registration guarantees that the course and the education provider at which you study meet the high standards necessary for overseas students. Please check carefully that the details of your course – including its location – match the information on CRICOS.

### Your rights

The ESOS framework protects your rights, including:

- Your right to receive, before enrolling, current and accurate information about the courses, fees, modes of study and other information from your provider and your provider's agent.
- If you are under 18, to ensure your safety, you will be granted a visa only if there are arrangements in place for your accommodation, support and welfare.
- Your right to sign a written agreement with your provider before or as you pay fees, setting out the services to be provided, fees payable and information about refunds of course money. You should keep a copy of your written agreement.
- Your right to get the education you paid for. The ESOS Framework includes consumer
- Protection that will allow you to receive a refund or to be placed in another course if your provider is unable to teach your course.

The ESOS framework sets out the standards Australian education providers offering education services to overseas students must obey. These standards cover a range of information you have a right to know and services that must be offered, including:

- Orientation and access to support services to help you study and adjust to life in Australia
- Who the contact officer or officers is for overseas students
- If you can apply for course credit
- When your enrolment can be deferred, suspended or cancelled
- What your provider's requirements are for satisfactory progress in the courses you study and what support is available if you are not progressing well
- If attendance will be monitored for your course, and
- A complaints and appeals process.

One of the standards does not allow another education provider to enroll a student who wants to transfer to another course, but has not completed six months of the final course of study you plan to undertake in Australia. If you want to transfer beforehand you need your provider's permission.

If you are under 18, to ensure your safety, you will be granted a visa only if there are arrangements in place for your accommodation, support and welfare.

### **Your responsibilities**

As an overseas student on a student visa, you have responsibilities to:

- Satisfy your student visa conditions
- Maintain your overseas student health cover (OSHC) for the period of your stay
- Meet the terms of the written agreement with your education provider
- Inform your provider if you change your address
- Maintain satisfactory course progress
