DELIVERY METHODS

The course is delivered across 45 weeks over 5 terms.

We use a blended delivery approach combining on campus classroom and online delivery.

Classroom learning This blended mode means we conduct face to face delivery for 15 hours per week supplemented by structured online learning for 5 hours per week. Once you start the course, the trainers will explain how the classes will run 15 hours per week in classroom. Classroom learning includes lectures supported by power point plus visual topic content, with practice time and lots of group and oral work.

Structured online learning There is an extra 5 hours per week programmed outside of 20 scheduled contact hours where you revise and practice to reinforce classroom learning. The online learning is set up by unit and topics so it is easy for you to explore and then work through each unit of study. Some people will move more quickly through the material and others may take a bit more time depending on your confidence in the topics.

SAMPLE TIMETABLE	Face to Face (15 hours/week)	Online (5 hours/week)
Day option 2 days 8.00 am - 4.00 pm	Lectures, group work, oral work, case studies, business simulation, practice	Self-Study (in your own time). Revise and practice classroom learning.
Evening option 3 evenings 4.15pm – 9.30pm		

ASSESSMENTS

Students are required to complete a range of assessment tasks for each unit. As a guide you will need up to 20 hours per unit outside of class hours to work on your assessments. Some assessments are tests and practicals that are conducted in class time.

Assessments methods may include:

1. Knowledge questions/tests
2. Projects.

Within the Projects there may be a number of tasks and methods used to gather evidence of competency such as:

- Web based research and reports
