

ICT60220 ADVANCED DIPLOMA OF INFORMATION TECHNOLOGY

CRICOS Course Code: 105183D

National Qualification Code: ICT60220

Course Duration: 52 Weeks (Includes term breaks)

Delivery arrangement: Face to Face and Online

Next start dates: See website for details or contact admissions

COURSE DESCRIPTION

This qualification reflects the role of individuals in a variety of information and communications technology (ICT) roles who have significant experience in specialist technical skills, or managerial business and people management skills.

Individuals in these roles carry out complex tasks in a specialist field, working independently, leading a team or a strategic direction of a business. They apply their skills across a wide range of industries and business functions, or as a business owner (sole trader/contractor).

STUDY AND ENJOY MULTICULTURAL BURWOOD

Skyline International College, Burwood campus is just 12 minutes by train from the heart of the city of Sydney. The campus is in the center of Burwood and is just 2 minutes of walk from the Burwood train station or bus stop. Burwood is multicultural and is a destination for international students to live and work.

ENTRY REQUIREMENTS

Skyline International College (SIC) follows the ICT Training package guidance for the entry requirements for this qualification. There are no entry requirements for this qualification and direct entry is accepted.

Age and Academic Requirements:

ICTPRG549	Apply intermediate object-oriented language skills	Elective
ICTSAS530	Use network tools	Elective
ICTPRG614	Create cloud computing services	Elective
ICTNWK540	Design, build and test network servers	Elective

DELIVERY METHODS

The course is delivered across 36 weeks over 4 terms.

The delivery mode is blended delivery mode combining classroom and online delivery.

Classroom learning

This blended mode means we conduct face to face delivery for 15 hours per week supplemented by structured online learning for 5 hours per week. Once you start the course, the trainers will explain how the classes will run 15 hours per week in classroom. Classroom learning includes lectures supported by power point plus visual topic content, with practice time and lots of group and oral work.

Structured online learning

5 hours per week is scheduled contact hours in eSpace – it is a structured online delivery. The trainer explains the learning activities that must be completed each week in the 5 hours allocated to self-directed learning in this blended mode through eSpace. Students complete the study in eSpace on their own outside of the set classroom hours. Students will be expected to have completed this online learning to keep up with the session work.

Additional self-study

The trainer explains the learning activities that must be completed each session. There is a lot of content and the overseas students may need extra time to absorb the classroom learning. Students complete extra self- managed study approximately 10 hours per week in the platform on their own outside of the set classroom hours. This is recommended to do study and homework and is not monitored for training hours. Students will be expected to complete this as homework to keep up with the class work. This is not monitored by the trainer and is NOT counted in the 20 scheduled contact hours per week. These hours are counted as volume of learning hours and are additional to the amount of training hours.

SAMPLE TIMETABLE

Session	Face to Face (15 hours/week)	Online (5 hours/week)
Day option 2 days 8.00 am - 4.00 pm	Lectures, group work, oral work, case studies, business simulation, practice	Self-Study (at your own time). Revise and practice classroom learning.
Evening option 3 evenings 4.15pm – 9.30pm		

ASSESSMENTS

Students are required to complete a range of tasks as part of the assessment requirements for each unit. Each unit assessment takes about 5-15 hours outside of class hours. Assessment methods may include:

- Projects/ case study
- ICT Practical observation/ demonstration
- Short written knowledge questions/tests
- Web based research and reports
- Discussions and practical demonstrations

RECOGNITION OF PRIOR LEARNING (RPL) AND CREDIT TRANSFER (CT)

RPL and credit transfer (CT) can be applied for at the time of enrolment or during orientation and the original or certified copy must be provided. A fee is payable for assessing your RPL status or processing your credit transfer, please refer to our price lists in the handbook and website. If credit is granted, international students may have their course and visa shortened.

Pathway from Diploma of Information Technology to Advanced Diploma of Information Technology

Students who have completed the Diploma of Information Technology or relevant units' at SIC will be offered credit transfer. This will reduce the duration of study in the Advanced Diploma of Information Technology from 4 terms (direct entry) to 3 terms at Skyline International College.

COURSE COMPLETION

Upon successful completion of all the required units of this course, you will receive a nationally recognised qualification in ICT60220 Advance Diploma of Information Technology. Students who do not complete all required units may be eligible for a Statement of Attainment in partial completion of ICT60220 Advance Diploma of Information Technology.

PATHWAYS

Under mutual recognition, the Certificate qualification and Statement of Attainment awarded by Skyline International College will be recognized by other RTOs Australia wide. Upon successful completion of this course, students may choose to study:

- An undergraduate degree at universities or higher education providers that are willing to accept your credentials and experience (subject to higher education providers course entry requirements).

TRAINING AND OTHER FACILITIES

Skyline International College campus is fully equipped with required facilities including modern computer lab with internet access and required IT software's, data projector and resources borrowing facility, printing and photocopying facility and a student common area.
