

CPC31320 Certificate III in Wall and Floor Tiling

CRICOS Course Code: 116680G

National Qualification Code: CPC31320

Course Duration: 104 Weeks (Includes term breaks)

Delivery arrangement: Face to Face and Online

Next start dates: See website for details or contact admissions

COURSE DESCRIPTION

This qualification provides a trade outcome in wall and floor tiling for residential and commercial construction work. The qualification has core unit of competency requirements that cover common skills for the construction industry, as well as the specialist field of work, wall and floor tiling. Tilers work with materials like ceramic, glass, slate, marble and clay. They cut these materials and lay tiles on walls and floors, both interior and exterior. They may also add decorative touches to their basic work.

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements.

This qualification is suitable for an Australian apprenticeship pathway.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of CPCCWHS1001 Prepare to work safely in the construction industry meets this requirement.

STUDY AND ENJOY MULTICULTURAL BURWOOD

Skyline International College, Burwood campus is just 12 minutes by train from the heart of the city of Sydney. The campus is in the center of Burwood and is just 2 minutes of walk from the Burwood train station or bus stop. Burwood is multicultural and is a destination for international students to live and work.

ENTRY REQUIREMENTS

Skyline International College (SIC) follows the CPC Construction, Plumbing and Services Training Package guidance for the entry requirements for this qualification. There are no entry requirements for this qualification and direct entry is accepted.

Academic Requirements:

Minimum completion of Australian Year 12 secondary school education equivalent or above.

English Language Requirements:

Academic IELTS 6.0 overall, no less than 5.5 in each band, or upper intermediate, or EAP from approved ELICOS/ESL centre.

Any AQF qualification at the Certificate III level or above in any discipline area delivered and assessed in English only will be deemed as meeting both the academic and English language entry requirements.

Physical requirements:

Participants of this course should have a good level of fitness to manage the physical demands of the job, including lifting boxes of tiles and adhesive bags, crouching, kneeling and bending to perform work.

The course materials fee for the course is \$4,000.

VOCATIONAL OUTCOME

Occupational titles suited to our choice of electives may include:

- Tiler
- Wall and Floor tiler

COURSE STRUCTURE

Our course has been designed to meet the requirements for the CPC31320 Certificate III in Wall and Floor Tiling. It contains 34 units of competency as follows:

- 17 core units
- 3 elective units

| Unit Code | Unit Title | Core/Elective |
|-------------|---|---------------|
| CPCCCM2006 | Apply basic levelling procedures | Core |
| CPCCOM1012 | Work effectively and sustainably in the construction industry | Core |
| CPCCOM1013 | Plan and organise work | Core |
| CPCCOM1014 | Conduct workplace communication | Core |
| CPCCOM1015 | Carry out measurements and calculations | Core |
| CPCCOM2001* | Read and interpret plans and specifications | Core |
| CPCCWF2001* | Handle wall and floor tiling materials | Core |
| CPCCWF2002* | Use wall and floor tiling tools and equipment | Core |
| CPCCWF3001* | Prepare surfaces for tiling application | Core |
| CPCCWF3002* | Install floor tiles | Core |
| CPCCWF3003* | Install wall tiles | Core |

| | | |
|-------------|--|----------|
| CPCCWF3004* | Repair wall and floor tiling | Core |
| CPCCWF3005* | Install decorative tiling | Core |
| CPCCWF3006* | Install mosaic tiling | Core |
| CPCCWF3007* | Tile curved surfaces | Core |
| CPCCWF3009* | Apply waterproofing for wall and floor tiling | Core |
| CPCCWHS2001 | Apply WHS requirements, policies and procedures in the construction industry | Core |
| BSBESB301 | Investigate business opportunities | Elective |
| BSBESB407 | Manage finances for new business ventures | Elective |
| CPCWHS1001 | Prepare to work safely in the construction industry | Elective |

DELIVERY METHODS

The course is delivered across 80 weeks over 8 terms.

The delivery mode is blended delivery mode combining classroom and practical.

Classroom learning:

The trainer will introduce the unit and the required knowledge and deepen the student's understanding of topics through a range of teaching methods. The materials are supplied and are comprehensive. Referring to SIC eSpace online, the trainer directs students to attempts the learning activities then written tests that cover the unit.

Workshop practical sessions:

For workshop sessions, students will undertake training and assessment in a wall & floor tiling workshop. Sessions provide an environment for students to work on practical learning relevant to each unit. This is done under the guidance of the trainer. Students are encouraged to support each other in pairs and small groups. The workshop is fully functional for wall & floor tiling where students will learn about how to lay ceramic, slate, tiles on internal and external walls and floors using glues, grout and cement. Students will learn to use tile-cutting tools to cut and shape tiles in order to fill small edges or make particular patterns.

Structured online learning:

There is an extra 10 hours per unit programmed outside of 20 scheduled contact hours where you revise and practice to reinforce classroom and practical learning. The eSpace online learning is set up by unit and topics so it is easy for you to explore and then work through each unit of study. Some people will move more quickly through the material and others may take a bit more time depending on your confidence in the topics.

SAMPLE TIMETABLE

| Day | Face to Face: Theory, Practical & Online Structured learning (20 hours/week) |
|---------------------------|--|
| Friday | <u>Theory / Practical Session: Face to face</u> |
| Saturday | 8.00 am - 4.00 pm Lectures, group work, oral work, case studies, practical workshop |
| Online (5 hours per week) | Self-Study (in your own time). Revise and practice classroom learning. |

ASSESSMENTS

Students are required to complete a range of tasks as part of the assessment requirements for each unit. Assessment methods may include:

1. Written Assessment
2. Practical Demonstration of Task
3. Case study
4. Project / Assignment
5. Role Play / Presentation
6. Portfolio / Work Placement / Third Party Report

Within the Projects there may be a number of tasks and methods used to gather evidence of competency such as:

- Web based research and reports
- Scenarios and case studies
- Practical demonstrations observed by the Assessor
- Simulations
- Presentations observed by the Assessor

RECOGNITION OF PRIOR LEARNING (RPL) AND CREDIT TRANSFER (CT)

RPL and credit transfer (CT) can be applied for at the time of enrolment or during orientation and the original or certified copy must be provided. A fee is payable for assessing your RPL status or processing your credit transfer, please refer to our price lists in the handbook and website. If credit is granted, international students may have their course and visa shortened.

COURSE COMPLETION

Upon successful completion of all the required units of this course, you will receive a nationally recognised qualification in CPC31320 Certificate III in Wall and Floor Tiling. Students who do not complete all required units may be eligible for a Statement of Attainment in partial completion of CPC31320 Certificate III in Wall and Floor Tiling course.

PATHWAYS

Under mutual recognition, the Qualification or Statement of Attainment awarded by Skyline International College will be recognized by other RTOs Australia wide. Upon successful completion of this course, students may choose to study:

- CPC50220 Diploma of Building and Construction (Building) at Skyline International College or
- An undergraduate degree at universities or higher education providers that are willing to accept your credentials and experience (subject to higher education providers course entry requirements).

TRAINING AND OTHER FACILITIES

Skyline International College campus is fully equipped with required facilities including modern computer lab with internet access and required IT software's, data projector and resources borrowing facility, printing and photocopying facility and a student common area.

Practical workshop– a custom-built space that is used for wall & floor tiling training and can be adapted to suit wall & floor tiling work practice and simulations.

WALL & FLOOR TILING WORKSHOP LOCATION

Students note that, wall & floor tiling practical workshop facility may be located in a different location from the campus. Student must make necessary arrangements to attend practical workshop session.
